Kannada Gurukula by Padaantaranga Corporation  
354 East Angelina Avenue  
Mountain House, CA 95391

Director Gurumurthy Krishnamurthy,

This letter is to officially notify you that the Lammersville Unified School District has approved Kannada Gurukula by Padaantaranga Corporation's **Kannada 1, Kannada 2, Kannada 3, and Kannada 4** courses as approved levels of study from which we will accept grades and credit for Lammersville Unified School District students. Each year-long course completed will count as one full year of credit for Language Other Than English at the college preparatory level to count towards students' 4-year college eligibility.

Please note that students will only receive credit for Kannada Language courses during the time that the students are enrolled in the 9<sup>th</sup> through 12<sup>th</sup> grade. Courses cannot be accepted before the student begins their Freshman year. In addition, per University of California requirements, the above approved courses must have been taken by the student during their 7<sup>th</sup> grade year or beyond to receive credit on the high school transcript. Students who take these courses prior to the 7<sup>th</sup> grade cannot be given credit.

Sincerely,

Heather Sharp  
Assistant Superintendent, Lammersville Joint Unified School District
